- Follow up Interview - (Victim) Vicky LARA
- Follow up Interview - (Witness) Timothy NORMAN

**INFORMATION:**

On this date, I made contact with Vicky LARA and Timothy NORMAN at 427 Liberator St, LARA's residence. I asked LARA and NORMAN if I could speak with them further about the incident that occurred between HILL and LARA on Friday, 03/22/2019. Both LARA and NORMAN agreed to speak with me.

My interview with both LARA and NORMAN was completed with the use of my body camera and digital recording device. I first interviewed LARA, and asked NORMAN if he would be willing to go upstairs so I could interview them independently. NORMAN agreed and left the room. Present during the interview was a friend of LARA's, Orin.

**FOLLOW UP INTERVIEW - (Victim) Vicky LARA:**

I spoke with LARA at her residence, she was sitting in a desk office chair in the living room. I asked LARA if she could explain to me the events of Friday 03/22/2019 going back before 9-1-1 was called. I asked LARA how she was doing, LARA stated, not very good. LARA stated that most of that day HILL had been drinking heavily, LARA explained to me that she had found several little vodka bottles around the house. I asked if HILL had been using anything else, LARA stated just his prescription medications and marijuana. LARA stated that she and HILL had been in a verbal argument over a few things, LARA stated that they were arguing over rent and that HILL had threatened to move out and go live with his son.

LARA stated that she told HILL not to threaten her, and that she would help him pack. LARA stated that HILL wanted her to go to the Shopette and purchase him (HILL) a large bottle of Vodka. LARA told me that she would not do that as she was using a walker to get around. LARA stated that this upset HILL. I asked LARA what led up to HILL assaulting her, LARA stated, because I told him no. LARA stated that HILL repeatedly told LARA, "I told you to go get it", in which LARA responded to HILL telling him she was not, and that she was not going to do it.

I asked LARA where HILL was sitting at that time in the residence, LARA told me that HILL was sitting on the couch in the living room. I asked LARA where she was sitting, LARA indicated that she had been sitting in the same chair as now (office desk chair). LARA indicated that NORMAN had been sitting on another couch also in the living room. I asked LARA about the action that occurred, LARA stated that after several times of telling HILL no, HILL told LARA to go find him a "fucking ride then" and threw some money at her. LARA stated that that she told HILL to walk to the store himself. I asked LARA what happened next, LARA stated it was like a fuse went off on a bomb, LARA stated that HILL came at her and "cold cocked" her in the face. LARA stated that HILL hit her with a closed fist and she should have gone to the hospital.

LARA stated that once HILL struck her, she reacted and HILL asked her what she was going to do about it. LARA stated that she picked up the home telephone and called 9-1-1. LARA stated that HILL told her (LARA) not to do it. LARA stated that she asked for someone to come and help her. I asked what happened next, LARA stated that HILL got more "fused up" and came after her more. LARA stated that NORMAN saw what was happening. LARA stated that NORMAN came across the living room from where he was sitting and grabbed HILL, picked him up and "doused" on the kitchen floor. LARA stated that HILL was trying to get up and get back at her and NORMAN was protecting her. I asked LARA to talk to me about that scuffle between HILL and NORMAN, I asked LARA how long it lasted, LARA indicated that it seemed like forever.

LARA stated that it was back and forth. I asked LARA if she saw HILL put NORMAN in a choke hold, LARA then stated that HILL had her in a "choke hold" where she could not breathe. I asked LARA if she had lost consciousness at all, LARA indicated that she started to. LARA stated that she felt like she was fainting. I asked if she had urinated when HILL was doing that, LARA stated that she did not. LARA

LARA stated that HILL was refusing to give the identification to Officer Wonch and HILL began staring at her with an "evil" look. LARA stated that HILL got up and came at her in front of Officer Wonch. I asked NORMAN if he could see where HILL had struck LARA, NORMAN stated that he saw HILL hit LARA in the head and the side.

I asked NORMAN if he heard HILL saying anything to LARA, NORMAN stated that he heard HILL say, "You fucking bitch". I asked NORMAN how long this went on for, NORMAN stated, well I got up and grabbed a hold of HILL. NORMAN stated that he was defending LARA. I asked NORMAN what happened, NORMAN got up and demonstrated that he grabbed on to HILL and pushed him against the wall. NORMAN stated and demonstrated on himself that HILL then struck him in the face with a closed fist and put NORMAN in a type of "choke hold" I asked NORMAN if he felt he was losing consciousness or anything while HILL was choking him, NORMAN indicated that he had not and could still breathe. NORMAN stated that he then elbowed HILL in the ribs and HILL let go of him. I asked NORMAN how many times did he elbow HILL in the ribs, NORMAN stated just once.

I asked NORMAN what happened then, NORMAN stated that he was not sure if HILL was going after LARA again so NORMAN pushed HILL into the kitchen NORMAN indicated that they both fell to the kitchen floor, I asked NORMAN if HILL fell on top of him or did he land on top of HILL, NORMAN stated that he (NORMAN) landed on top of HILL. DEPARTMENT  
Case Report**

Case No. 1984100075  
Report Date/Time: 3/22/2019 9:39:48 PM  
Reporting Officer: Wonch, Justin

I asked LARA to come back downstairs, LARA stated that she had put on a tank top so she could show me the large bruise on her arm. I observed a bruise on LARA's left arm near her elbow which was captured on my body camera. I provided LARA with some information about contacting the Women's Shelter and informed LARA about there office on Sawyer where she could meet with them if she desired.

I asked LARA if she had any marks or injury on her neck area, I did not observe any.

**STRANGULATION PROTOCOL:**

After meeting with LARA and NORMAN, I requested that Cpl Mills return to the residence and go over the strangulation protocol questions with LARA. I advised Cpl Mills that during my interview with LARA she had indicated that during the incident on 03/22/19, HILL had strangled her with his arm to the point where LARA indicated she had almost lost consciousness. Cpl Mills indicated that he would go and speak with LARA. (See Cpl Mills interview with LARA).

**CONTACT VICTIM – STRANGULATION – Vicky Lara (Cpl MILLS) 03/25/2019:**

I was requested by D/Sgt Kjellin to meet with Vicky Lara at her residence to go over the strangulation protocol questions with her. During Kjellin's follow up interview with Lara she had indicated that when Hill assaulted her, she had been strangled. I obtained the following strangulation information from Lara. The interview was captured on my body camera.

Lara describes that when she was strangled by Richard Hill, Lara indicated that she was sitting in a computer chair facing away from Hill when he came up behind her. Lara stated that Hill then struck her in the head several times, and put her in a choke hold from behind, with the point of his elbow in the area of her chin and squeezing back toward his body with the hand of that arm (Rear Naked Choke). Lara is unsure how long the strangulation by Hill occurred, but her best guess is around one minute. Lara stated that Hill attempted to strangle her twice. Lara stated that she was wearing jewelry during the strangulation and it did remain on her body.

Lara stated that her injuries include some difficulty breathing, some pain in the throat, and difficulty talking and swallowing. Lara stated that her voice has changed slightly since Hill strangled her. Lara stated that she is coughing up Phlegm as a result of the strangulation with Hill. Lara goes on to state that she feels dizzy. Lara does not recall whether she lost consciousness, but she does recall feeling very "light" all over her body and going limp in the seat. Lara stated that she did call 911 twice and that Hill has strangled her before, back in 2011, here in Gwinn. Lara stated while Hill strangled her, he stated that he would kill her. Lara stated that Hill was wearing rings during the strangulation and that he was heavily intoxicated and high on Marijuana
